

PLANTATION DRIVE

~ Neha (VIII-B) & Shamta Mandora (VIII-B) ~

Reporters, Modern School Life Magazine

August 10, 2022

To mark the glorious **75th year of Independence**, the students of Grade 11th participated enthusiastically in the **Tree Plantation Drive** on the 10th of August 2022. From our neighbor SBI bank, Ms. Sarabjeet Kaur and Mr. Satinder Yadav joined hands to make the drive successful.

They planted 75 young trees and saplings to

commemorate the running **75th foundation year of MSSSP** to stay connected with their roots and realise their responsibility towards protecting 'Mother Nature'.

These trees will surely provide oxygen and help in improving air quality, water conservation, climate amelioration and support wildlife.
