

**MISSION CLEAN  
PATIALA – STEP 1:  
AWARENESS DRIVE  
TOWARDS  
ENVIRONMENTAL  
RESPONSIBILITY**

**May 12, 2026**

A cleanliness and plastic-free environment awareness drive was conducted by the students of **Grade X of Modern Senior Secondary School, Patiala**, on 12 May 2026 under the guidance of **Ms Gurshagan Kaur, Senior Fellow, Mission Clean Patiala**.

The initiative aimed to raise awareness of the harmful effects of plastic use and the importance of proper waste disposal for a healthier environment.

With great enthusiasm and a strong sense of responsibility, the students interacted with shopkeepers near the school. They appealed to them to minimise the use of plastic bags and other non-biodegradable materials.

They also encouraged them to maintain cleanliness by disposing of waste only in dustbins. Through meaningful slogans and informative messages, the students spread the message of environmental conservation and civic responsibility.

The shopkeepers appreciated the students' sincere efforts and assured their support in maintaining a clean, plastic-free environment.

The drive proved to be a meaningful initiative that not only strengthened environmental awareness in the community but also reflected the students' commitment towards building a cleaner, greener, and more responsible society.

**Be the Change, Keep Patiala Clean!**
