

**MISSION CLEAN  
PATIALA – STEP 2  
CLEANLINESS DRIVE  
TOWARDS  
ENVIRONMENTAL  
RESPONSIBILITY**

**May 21, 2026**

A cleanliness drive was organized by **Modern Senior Secondary School, Patiala** on 21 May 2026 at **Secretariat Road** under the **Mission Clean Patiala** initiative.

Students of **Classes IX and X** actively participated in the drive under the guidance of **Mr. Gurkaran Singh, Environmental Engineer**, and **Ms. Gurshagan Kaur, Senior Fellow, Punjab Pollution Control Board**. The programme was conducted in collaboration with the **Punjab Pollution Control Board** and **Municipal**

**Corporation Patiala**.

The officials guided students about proper waste management and the harmful effects of pollution on health and the environment. During the drive, students cleaned roadsides and nearby public areas and encouraged residents and shopkeepers to maintain cleanliness and use dustbins properly.

The Principal appreciated the efforts of the students and supporting departments. The drive proved to be a meaningful step towards building a cleaner, greener, and healthier Patiala.
